what are the unique features of the governing structures and political systems of the small states and former british colonies of the east caribbean are they truly democratic do the decision makers manipulate their peoples and what can we learn about the political modernization of developing countries through an in depth study of the governing of antigua dominica grenada st lucia st vincent and the grenadines st kitts nevis and montserrat this is the most comprehensive analysis to date of these little known democracies one that will interest students in comparative government and latin american studies this study provides a conceptual framework for comparing east caribbean governments with other western political systems for assessing the democratic and authoritarian characteristics of seven small states and for analyzing the impact of modernization on the political development of these developing nations the study describes the political institutions in the east caribbean the role of political parties the church and class and shows how the particular social and economic problems affect the governments and people in the region

this book reviews current education and skills training options in the eastern caribbean and asks whether the prevailing education policies adequately prepare youth for the global economy it provides in depth analysis and relevant international cutting edge practices to guide policymakers educators and private sector leaders in fostering a creative productive and well paid workforce specifically it makes the case for why the oecs education and training systems need to be more responsive to changing labor market demands in the region and discusses how this could be achieved taking into c

this book offers comprehensive coverage of vessels that cruise the region and what they offer service cabin details amenities passenger crew ratio dining options and itineraries the guide covers antigua st lucia barbados dominica grenada puerto rico st martin guadeloupe st thomas martinique the author tells you how to get the most out of your 8 10 hours in each port the ships will be calling on information covered includes taxi tours where to find the best shops tour operators who are familiar with the ships schedules and will get you back to your ship on time for most ports suggested walking tours are detailed and out of town attractions are described as well

contact englishes of the eastern caribbean is the first collection to focus via primary linguistic fieldwork on the underrepresented and neglected area of the anglophone eastern caribbean the following islands are included the virgin islands usa british anguilla barbuda dominica st lucia carriacou barbados trinidad and guyana in an effort to be as inclusive as possible the contiguous areas of the bahamas and the turks and caicos islands often considered part of north american englishes are also included papers in this volume explore all aspects of language study including syntax phonology historical linguistics dialectology sociolinguistics ethnography and performance it should be of interest not only to creolists but also to linguists

anthropologists sociologists and educators either in the caribbean itself or those who work with schoolchildren of west indian descent

this book offers comprehensive coverage of vessels that cruise the region and what they offer service cabin details amenities passenger crew ratio dining options and itineraries the guide covers antigua st lucia barbados dominica grenada puerto rico st martin guadeloupe st thomas martinique the author tells you how to get the most out of your 8 10 hours in each port the ships will be calling on information covered includes taxi tours where to find the best shops tour operators who are familiar with the ships schedules and will get you back to your ship on time for most ports suggested walking tours are detailed and out of town attractions are described as well

the eastern caribbean economic and currency union oecs eccu is one of four currency unions in the world as in other parts of the world in the aftermath of the global economic and financial crisis the region is at a crossroads facing the major challenges of creating jobs making growth more inclusive reforming the banking system and managing volatility while grappling with high public debt and persistent low economic growth policymakers have the critical task of implementing strong reforms to strengthen the monetary union while also laying the foundation for accelerating growth this handbook provides a comprehensive analysis of the key issues in the oecs eccu including its organization and economic and financial sector linkages and provides policy recommendations to foster economic growth

dealing with the natural history of birds birds of the eastern caribbean provides an up to date review of over 300 species to be found in the islands for each species the key features are identified followed by notes on status distribution habitat breeding biology diet and behaviour photographs of many species are illustrated in colour for the first time the guide includes helpful hints on bird watching and bird photography there is a useful bibliography list of best bird watching sites and an island by island check list of species recently observed all included to help the visitor get the best out of bird watching in the islands

the islands of the caribbean sea are flung over millions of square kilometers or miles of ocean they can be grouped into the western caribbean and eastern caribbean groups cuba hispaniola jamaica and the cayman islands being the largest and best known in the west puerto rico and the chain known as the lesser antilles comprise the major portion of the eastern group this book is oriented toward those who plan to cruise among the eastern islands especially the lesser antilles this chain of primarily volcanic islands begins in the north with the united states and british virgin islands and extends almost to the edge of south america terminating with the island of trinidad they are exceptionally beautiful with their majestic peaks many still being active volcanoes there are those islands exposed more to the trade winds that have lush tropical rainforest while in the north islands such as saint martin and antigua tend to be drier often called the leeward islands in preparing this book i have taken into consideration the amount of time most cruise passengers have in each island i have offered suggestions as to what are the prominent sights to be seen either on group or private tours i also provide select restaurant listings as in many instances you do have time to sample some traditional caribbean cuisine which is part of the experience and yes i do offer some tips on good shopping but remember that you can shop almost anywhere today

especially on line so try to consider these islands not as tropical shopping malls but as magnificently beautiful works of nature that you want to be able to explore and gather memories for the rest of your life not only are the islands beautiful but so are the people who are a mixture of europeans descended from the colonial rulers african slaves and the original native population their outlook on life their music and distinctive ways of speaking also add to the overall ambiance of each island so plan a visit to the eastern caribbean islands and then relax and enjoy
